

Baselines

These results were obtained by training to regression a BERT model available on HuggingFace, with a learning rate of 1e-05.

Task A: One-dimensional regression

	Pearson's R	Mean Absolute Error
Valence	0.807	0.313
Arousal	0.643	0.321
Dominance	0.643	0.285

Task B: Multi-dimensional regression

	Pearson's R	Mean Absolute Error
Valence	0.811	0.859
Arousal	0.652	0.859
Dominance	0.654	0.859
